Re: Freedom of Information Act Request Number EPA-R10-2014-00009255

Dear Mr. Trauman:

This is an interim response to your Freedom of Information Act (FOIA) request received by the U.S. Environmental Protection Agency (EPA) on August 6, 2014 requesting non-privileged documents related to property located at 2830 Ferry Street SW in Albany, Oregon.

Records from the Office of Environmental Cleanup and the Office of Regional Counsel have been uploaded to your FOIAonline account. Please visit your account to download and view records.

We have redacted portions of two of the documents under Exemption 5 U.S.C. § 552(b)(6) which requires the withholding of all information about individuals in personnel, medical and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Also, pursuant to 40 C.F.R. § 2.104(d) an extension of time required to complete your request is necessary to search and review voluminous emails. The new due date we expect to complete your request is October 31.

Please feel free to contact Judith Leckrone Lee at [leckrone-lee.judith@epa.gov](mailto:leckrone-lee.judith@epa.gov) for status of your request.

Sincerely,

*Camie Grandinetti*  
for Richard Albright, Director  
Office of Environmental Cleanup
